

LUCKY PULPIT, sire of Two-Time Eclipse Award Horse of the Year CALIFORNIA CHROME

Record \$10.8 Million Progeny Earnings

In 2014, **LUCKY PULPIT** made history as the first to sire a California-bred winner of the first two “jewels” of the Triple Crown which culminated in 3-year-old male and Horse of the Year honors for **CALIFORNIA CHROME**.

Returning to the races in 2016 following a nine-month layoff, **CALIFORNIA CHROME** again won divisional and horse of the year honors with a phenomenal record of seven stakes wins and three Grade I victories in nine starts.

The unanimous choice for older dirt male, **CALIFORNIA CHROME** joined **JOHN HENRY** as the only horses in the Eclipse Award era to be voted Horse of the Year in non-consecutive years.
